Small size boat built in  
to meet the Boat Corporation  
requirements

They have standardized boats

the size will probably be at least

3000 lbs. suitable for

the purpose of the program

especially this part is not  
used and especially valuable  
for fish work

Musgrave says that the  
trouble in New Mex. is not  
done. He thinks ~~the~~ Pineau  
is a trouble maker.

Gray & Dixon were antagonistic

Musgrave suggests we put  
Pineau back as a hunter

Take this up for settlement

Musgrave desires to have  
stand for asst Prof, An. leader,  
made with educational limits  
some what as in robot work  
at least high school go lower  
place college go tops.

Altogether  
made much harm to  
work in day.  
Eckhart says his attitude  
was that he had reached  
a position in which he  
did not have to work.
